\$20,000 PURCHASE OF MEN'S AND WOMEN'S OUTERGARMENTS

We have just completed one of the largest purchases of Women's and Men's High Grade Outergarments ever closed by any Washington house. It involves \$20,000. Because of the unseasonable weather several of the leading manufacturers of New York City sacrificed their entire stocks to us at a fraction of the cost to produce. We've in turn marked the garments at ridiculously low figures. Pay for them in cash—or have them charged—you get the same low prices—lower, mind you, than ever before quoted on like qualities.

A Gigantic Purchase of 600 OVERCOATS,

From the "Overcoat Kings," Abe Solomon & Co., 736 Broadway, New York. The Largest Single Purchase Ever Made by Any House in This City.

The name Solomon has for a number of years been associated with all that is best in overcoat. They have built up an enviable reputation as the producers of the finest popular-priced garments in the land. We secured this lot in face of the keenest competition—local competition and competition from other cities. It's a victory for us—and a great opportunity for you.

In this lot are garments of the finest texture ever offered at the price. Six hundred of them in all—blacks and blues in Kersey and Beaver—all the best styles, and all desirable lengths.

They go on sale here tomorrow—don't let a day pass—not an unnecessary hour—for first selection naturally means best selection. Pay entirely cash or pay something now and the balance later. Your credit is good.
